## Parent & Beaver Reminders:

- **Beavers are asked to bring a book new or used of any kind, children's or adults for donation for libraries in remote Canadian communities.**
- Beavers should dress in full uniform & appropriately for the weather as we will be outside all day. So a hat no matter what the weather and full raingear and boots as those fields can be very muddy if it rains.
- Beavers should bring a little backpack that includes a filled water bottle, sunscreen (if it's sunny), extra sweater (if it's cold), etc but they will carry it all day long so don't over pack it.
- Parents take this opportunity to ensure that ALL the pieces that are coming with your child have their FULL NAME on it. Beavers leave behind pieces all day long and it's hard for them to remember all their stuff.
- Parking is at a premium. If you are just dropping your Beaver off for the day, please park alongside the road and walk the Beaver in to allow the all day parkers and Leaders a spot. Watch out and drive slow as there will be children darting around everywhere.
- Parents ensure that you check in and out with your leader and do your best to not be late.
- Parents that are staying for the day are asked to help out wherever they can. By giving the leaders a hand it will ensure everyone has a lot of fun.
